Understanding the Financial Peace University Curriculum

What is Financial Peace University?

Financial Peace University (FPU), created by Dave Ramsey, is a 9-lesson course designed to teach individuals and families how to take control of their finances. It combines video teachings, worksheets, discussion questions, and real-life applications to facilitate effective learning.

Course Structure and Key Topics

The curriculum covers several essential financial topics:

- Budgeting and cash flow management
- Eliminating debt (including the debt snowball method)
- Building an emergency fund
- Understanding credit and how to improve credit scores
- Investing for retirement and wealth accumulation
- Insurance and protecting assets
- Planning for college and major expenses
- Creating a legacy through estate planning

Each lesson includes specific questions designed to test understanding and encourage practical application.

Common Types of Curriculum Questions and Their Answers

Understanding the typical questions posed in the curriculum can help students prepare and engage more meaningfully.

Budgeting and Cash Flow

Sample Question:

What are the steps to creating a zero-based budget?

Answer:

- List all sources of income for the month.
- Itemize all expenses, including fixed (rent, utilities) and variable (groceries, entertainment).
- Subtract expenses from income to determine if there is a surplus or deficit.
- Allocate every dollar of income to expenses, savings, or debt repayment until the total equals zero.
- Track and adjust the budget regularly to stay on target.

Debt Snowball Method

Sample Question:

How does the debt snowball method work to eliminate debt?

Answer:

The debt snowball method involves listing debts from smallest to largest balance, regardless of interest rates. You pay minimum payments on all debts except the smallest, which you pay off as quickly as possible. Once the smallest debt is paid off, you roll its payment into the next smallest debt, creating a 'snowball' effect that accelerates debt elimination.

Emergency Fund Building

Sample Question:

How much should you save in your emergency fund?

Answer:

Most financial advisors recommend saving three to six months' worth of living expenses in your

emergency fund. This provides a cushion in case of unexpected events such as job loss, medical emergencies, or major repairs.

Credit and Debt Management

Sample Question:

What are some ways to improve your credit score?

Answer:

- Make all payments on time.
- Keep credit card balances low relative to credit limits (preferably below 30%).
- Avoid opening multiple new accounts in a short period.
- Regularly check your credit report for errors and dispute inaccuracies.
- Maintain a healthy mix of credit types.
