- Depth of Content: Due to its size, it cannot offer extensive historical or cultural essays, which may leave some travelers seeking more in-depth knowledge wanting
- Digital Integration: An accompanying digital version or app could provide interactive maps, real-time updates, and additional multimedia content
- Price Point: Slightly higher than some competitors for a pocket-sized guide, though justified by quality and content
- Coverage of Events: Limited information on current festivals or seasonal events; travelers may need supplementary resources for the latest happenings
