At its core, table tennis is a fast-paced game played between two players (singles) or two pairs (doubles). The primary goal is to score points by hitting the ball over the net onto the opponent's side in a manner that they cannot return legally.

Key Rules Include:

- Serving: Each player serves two points in a row, then the serve switches. The ball must bounce once on the server's side, clear the net, and bounce on the receiver's side.
- Rallying: Players alternate hitting the ball, aiming to land it on the opponent's side within the rules.
- Scoring: A point is scored when the opponent fails to make a correct return, hits the ball outside the designated court, or commits a fault.
- Winning: Matches are typically played to 11 points, with a player needing at least a two-point lead to win. Matches are often best of 5 or 7 games.

Serving and Let Rules

- The serve must be diagonal in singles and can be anywhere in doubles.
- If the serve touches the net but still lands correctly, it's a "let" and replayed.
- Faults include missing the ball, hitting it outside the court, or failing to make contact during a rally.
