The Genesis of the Anthology Concept

The idea of an anthology dedicated solely to Queen's piano, vocal, and guitar arrangements stems from a desire to preserve and interpret the band's complex musical compositions. The initial impetus came during the band's 2000s resurgence, as live performances and remastered recordings rekindled interest in their musical intricacies. Recognizing the educational potential and the demand from musicians, Queen's management and music publishers collaborated to develop a resource that would serve both as a tribute and a practical guide.
