Rooted in a pantheon of divine virtues and vices, the narrative of wrath has historically been portrayed as both a destructive force and a catalyst for righteousness, depending on cultural interpretation.

The Thematic Foundations

This duality—destructive chaos versus justified fury—becomes a central theme in the portrayal of the armies and units detailed in the book.

The Evolution Leading to Army Book 2

The initial "Army Book 1" laid the groundwork for understanding the divine and mortal forces aligned with wrath. It introduced core units, basic mechanics, and thematic motifs. However, as the universe expanded, the need for a more nuanced, detailed supplement became evident. - Cursed Energy: A resource system representing the accumulation of wrathful energy, used to trigger special abilities.

These mechanics encourage aggressive playstyles, emphasizing the destructive and relentless nature associated with wrath.

Balancing and Playability
