- The justification of violence through religious doctrine
- The rise of warfare as a state policy
- The impact of violence on social hierarchies and peasant rebellions

Transitioning into the early modern period, the books examine the bloody struggles of the Reformation, the Thirty Years? War, and colonial conquests, emphasizing how violence shaped national identities and global interactions.

Several Dover texts focus on philosophical inquiries into violence, exploring questions such as:

- Is violence inherently destructive or can it serve a constructive purpose?
