Women?s Indian captivity narratives are autobiographical stories or oral histories recounting the experiences of women who were captured by Indigenous tribes, held for varying lengths of time, and often integrated into Indigenous communities before either being released or choosing to return to European or American settlements. These narratives emerged predominantly in the 17th through 19th centuries, a period marked by colonization, territorial disputes, and conflicts between settlers and Indigenous nations.

The narratives serve multiple purposes: they are personal stories of trauma and resilience, cultural documents that illustrate Indigenous customs and perspectives, and often serve as propaganda or justification for colonial policies.
