What is the "Guide Coran C E Du Sud 2018 2019 Petit Futa C"?

The phrase refers to a specialized educational guide or program implemented in the southern region of Senegal (often referred to as "C E Du Sud") during the academic year spanning 2018 to 2019. The term "Petit Futa C" signifies a specific level or category within the program, likely targeting early or beginner-level students, especially those engaged in Quranic education or foundational literacy.

This program was part of broader efforts to improve educational access and quality in rural and semi-urban areas of southern Senegal, focusing on integrating religious instruction, particularly Quranic studies ("Coran"), with formal schooling.

Context and Background

Historical and Socio-Educational Setting

Senegal's educational landscape is characterized by a blend of formal secular education and religious instruction, often delivered through traditional Quranic schools known locally as "daaras." In

regions like the south, where access to formal schools may be limited, Quranic schools serve as primary educational institutions.

Between 2018 and 2019, the government and various NGOs intensified efforts to bridge the gap between religious and secular education, emphasizing the importance of a cohesive curriculum that respects religious traditions while promoting literacy and numeracy.

Goals of the Program

- Enhance Quranic literacy among young children.
- Integrate religious teachings with basic education.
- Improve access to quality education in underserved areas.
- Promote gender inclusivity in religious and secular education.
- Support community involvement in school management.

- Partnerships: Collaboration between government agencies, NGOs, religious authorities, and local communities.

- Logistical Issues: Difficulties reaching remote areas due to poor infrastructure.
- Gender Disparities: Lower enrollment of girls due to cultural norms.

Impact and Outcomes

Positive Outcomes

- Increased literacy rates among participating children.
- Greater community involvement in educational initiatives.
- Enhanced cooperation between religious and secular educational sectors.
- Preservation of Quranic traditions alongside formal education.

Limitations and Areas for Improvement

- Need for more extensive teacher training programs.
- Better resource allocation to sustain infrastructure.
- Strategies to improve girls' enrollment and retention.
