The series aimed to bridge the gap between scholarly editions and accessible translations, emphasizing fidelity to original texts while providing reliable English translations. Over the decades, the series expanded to include a wide array of classical works, from epic poetry to history, philosophy, and rhetoric.

Its placement within the series reflects the enduring importance of historiography in understanding the ancient world.

The Making of Band 128

Contents and Structure of Loeb Classical Library Band 128

Included Texts and Authors

Band 128 features three major historical works, each representing different periods, regions, and historiographical approaches:

The Loeb edition offers a reliable translation alongside the Greek text, with extensive footnotes explaining historical and cultural references.

- Thucydides' "History of the Peloponnesian War"

A more analytical and rigorous account, Thucydides' work examines the conflict between Athens and Sparta, emphasizing cause and effect, political realism, and human nature.
