Yet, the historical narrative often centers on her public image, glossing over the personal toll of maintaining such a role amidst evolving societal expectations.

The Dresser: The Unsung Partner

- Confidantes in Private: The dresser often becomes one of the few people privy to the queen?s personal thoughts and concerns.
- Guardians of Privacy: Maintaining discretion is paramount, as breaches can have political or personal repercussions.

This relationship is built on years of shared experiences, discretion, and understanding.
