The Roots of the Conflict

South Lebanon has long been a hotspot for regional tensions, primarily due to its strategic location bordering Israel and its complex demographic makeup. After the Israeli invasion of Lebanon in 1982, the region's dynamics shifted significantly, leading to the rise of Hezbollah—a Shiite Islamist political and militant organization founded in the early 1980s with the aim of resisting Israeli occupation and advocating for Lebanese sovereignty.

- Hezbollah's Emergence: Rooted in resistance movements against Israeli occupation, Hezbollah gained support due to its military prowess, social services, and ideological stance.
- Israeli Occupation: From 1982 until 2000, Israel maintained a military presence in southern Lebanon, controlling a border zone that was a constant source of tension and conflict.
- The 2006 Lebanon War: The most significant recent escalation, often called the July War,

began when Hezbollah launched a cross-border raid, capturing two Israeli soldiers, which led to a full-scale Israeli military response.
