At the core of "Who says you can't? You do the life-changing self" lies the understanding that self-belief is the catalyst for change. Many people are held back not by external obstacles but by internal doubts and fears.

- "I'm too old to start something new."
- "I lack the skills necessary."

These beliefs often stem from past experiences, societal conditioning, or fear of failure. Recognizing them is the first step toward overcoming them.

Reframing Your Inner Dialogue

To shift from a limiting mindset to an empowering one, consider the following strategies:

Setting Intentional Goals

Clarity in what you want is vital. Define specific, measurable, achievable, relevant, and time-bound (SMART) goals to give your efforts direction.
