Founding by David Berg

Berg's writings,

often distributed as newsletters and tracts, became foundational texts for the movement.

The Name Change and Rebranding

Originally called the Children of God, the group adopted the name The Family International in 2004 as part of an effort to distance itself from past controversies and to reflect its broader scope. This rebranding aimed to present the organization as a more mainstream, domesticated Christian community, emphasizing family values and humanitarian work.

Growth and Spread

During the 1960s and 1970s, TFI expanded rapidly across North America, Europe, Africa, and Asia, attracting young followers disillusioned with traditional religions and societal norms. - End Times Prophecy: Belief in an imminent apocalypse, motivating evangelism and community lifestyle.
- The Return of Jesus: Expectation of Christ's second coming, often interpreted literally.

Unique Teachings and Lifestyle

The movement is known for several distinctive practices:

- Open-Air Evangelism: Members actively evangelize in public spaces.
- Living in Communes: Many followers live together in communal homes, sharing resources and responsibilities.
- The Youth and Sexual Teachings: Perhaps the most controversial aspect?Berg taught that sexual sharing was a way to spread love and the gospel, leading to allegations of sexual abuse and exploitation.

The "Flirty Fishing" Strategy

One of the most notorious practices was "Flirty Fishing," where female members, often young women, were encouraged to use their sexuality to attract new converts and fund the community. This tactic drew widespread criticism for its exploitation and abuse, generating legal actions and media scrutiny.
