Dear Financial Aid Officer,

I am writing to formally request financial assistance on behalf of my daughter, Emily Johnson, who has been accepted to [College Name] for the upcoming academic year. We are grateful for her acceptance and excited about her educational journey, but we are seeking support due to our current financial circumstances.

Our family's financial situation has changed significantly over the past year. I am currently employed as a part-time retail associate, earning approximately \$20,000 annually. My spouse, who was the primary breadwinner, lost his job six months ago, and since then, our household income has decreased substantially. We are also caring for our elderly parent, which has added to our financial burdens.

Despite these challenges, Emily has maintained an impressive academic record, ranking in the top 10% of her class, and she has been actively involved in community service and school leadership roles. She is passionate about pursuing a degree in Environmental Science and aspires to contribute meaningfully to sustainable development.

Given our current financial situation, covering the full cost of tuition, fees, and living expenses is beyond our means. We kindly request consideration for any available financial aid, scholarships, or grants that can assist Emily in pursuing her educational goals. We have attached copies of our recent tax returns, employment verification, and other relevant documents to substantiate our financial need.

We sincerely appreciate your time and consideration of our request. Supporting Emily in her academic pursuits will have a lasting impact on her future and our family's stability. Please let us know if additional information is required.

Thank you very much for your understanding and assistance.

Respectfully,
