Step-by-Step Guide to Make Your Own Paper Bag Horse

Creating a paper bag horse involves a series of simple steps that combine crafting techniques with imaginative design. Follow this guide to bring your horse to life.

Step 1: Prepare the Paper Bag Base

Start with a large paper bag, ideally one that is sturdy and easy to work with.

- Turn the paper bag upside down so the flat bottom becomes the top of your horse's body.
- If necessary, reinforce the bottom with extra tape or glue to make it more durable.

Step 2: Create the Head

The head will be attached to the front of the body.

- Cut a smaller piece of paper or cardstock into a rounded or oval shape for the head.
- Decorate the head with features such as eyes, nostrils, and a mouth using markers, googly eyes, or cut-out paper pieces.
- Attach the head to the front of the paper bag using glue or tape, positioning it near the top edge of the bag's opening.

Step 3: Make the Ears

Ears add character and realism.

- Cut two small triangles from construction paper or cardstock.
- Decorate or color them as desired.
- Glue or tape the ears to the top of the head.

Step 4: Add the Mane and Tail

These features give your horse personality.

- For the mane: Cut pipe cleaners into manageable lengths or use strips of tissue paper or yarn. Attach along the top of the head and neck using glue or tape.
- For the tail: Attach a bundle of pipe cleaners, yarn, or faux fur to the back of the paper bag. Secure with glue or tape.

Step 5: Design the Legs

Since your paper bag is a flat shape, you can create the illusion of legs.

- Cut four strips of paper or cardstock for legs.
- Decorate with patterns or colors to mimic hooves or markings.
- Attach the legs to the bottom of the paper bag using glue or tape, arranging them evenly to stand or sit.

Step 6: Add Additional Decorations

Make your paper bag horse unique with creative embellishments.

- Decorate the body with drawings, stickers, or glitter to create patterns or spots.
- Create a saddle or blanket from fabric or colored paper and attach it to the horse's back.
- Use string or yarn to make reins, attaching them to the head or mouth area.
